6 Toxicological properties

Absorption ways

Skin

Inhalation

Ingestion

Eyes

Cancerogenic

No

Teratogenic

No

Mutagenic

No

Synergic products

Not available

Exposure limit

Not available

Irritating property

Yes

Effect(s) of exposure to eyes

Acute: Irritation, Harmful

Chronic: Irritation

Effect(s) of exposure to skin

Acute: Irritation, Harmful

Chronic: Irritation, Harmful, Dryness/Cracking

Effect(s) of exposure by ingestion

Acute: Toxic, Harmful, Lung Damage

Chronic: Toxic/Harmful, may cause lung damage

Effect(s) of exposure by inhalation

Acute: Irritation, Harmful

Chronic: Vertigo, Drowsiness, Irritation, Harmful

Do not Eat

General ventilation

Transport dangerous goods

U.N. Number 1950
Shipping name Colore Patina Spray

Classification 2.1
Packing group II

8 First aid

Eyes

Flush with water for 20 minutes

If irritation persist, seek medical attention

Skin

Wash with water and soap

Removed and wash contaminated clothing

If irritation persist, seek medical attention

Ingestion

Do not induce vomiting

Seek medical attention or contact a Poison Centre immediately

Inhalation

Remove the person to fresh air

If problem develops or persists, seek medical attention

Other

If product is ingested, show product's label to physician

If needed, see emergency telephone number directory

A quick response is essential. Call a physician immediately
